

THE HEALTHY HOOF WORKSHOP

Presented by

Jenny Austin

Qualified Natural Hoof Care Practitioner and Trainer/Assessor

Are your horses feet the best they can be?
Do your horse a favour and learn how to create the
greatest hooves possible.

You will learn –

- Hoof anatomy and how it works to support the horse
- How to recognise healthy vs unhealthy hooves
- What a bare healthy hoof can achieve
- How shoes change hooves
- How to create a sound barefoot horse
- How to recognise and treat common pathologies
- The 5 critical aspects of barefoot success
- Hoof trimming demonstration
- And much more!

Bring along good photos of your own horses hooves for discussion
(on a usb, very clean hooves, various views)
